Sir:

Legal Staff  
International Division

Pursuant to 37 CFR \$1.137(b), and MPEP \$1893.02,  
Applicants hereby petition to revive the U.S. national stage  
of above-identified PCT application, which was unintentionally  
abandoned through failure to pay the basic national fee as  
required by 37 CFR \$1.495(b)(2).

A credit card payment form PTO 2038, authorizing  
payment of the petition fee in the amount of \$1,500.00 and the  
basic national filing fee in the amount of \$900.00, is  
attached.

Please charge any deficiency in the petition fee or  
the base national fee to deposit account 02-4035.

We also enclose the request for national stage entry, and courtesy copies of the international application and related papers.

Pursuant to 37 CFR § 1.137(b), we state that the entire delay in filing the required reply from the due date (May 8, 2005) for the reply until the filing of a grantable petition pursuant to this paragraph was unintentional.

Since the instant PCT application is a utility application filed after June 8, 1995, no terminal disclaimer is required.

Respectfully submitted,

BROWDY AND NEIMARK, P.L.L.C.
